NOTICE TO SHIPPING LINES/AGENTS

Tema, Friday, April 13, 2007

Dear Sirs,

As advised at MPS pre-opening presentations and MPS Operating procedures please be reminded of the following:

MPS will not handle refrigerated cargo until the MPS Reefer Facility is completed at the end of 2007.

Until that time MPS is pleased to discharge and load clients refrigerated containers from/to vessels but all shore handling and storage will be undertaken by Ghana Port & Harbours Authority at the current Reefer Yard.

Please be advised that MPS will not accept any liability for any refrigerated cargo handled.

Please be guided accordingly

Sincerely yours

Peter Reynolds
General Manager
